

## Smaller items will ship with FedEx

### Residential FedEx delivery

- Shipment will be delivered to your doorstep

*No signature required for residential delivery*

### Commercial FedEx delivery

- Driver will attempt to deliver during business hours, three times

*Additional fees apply for further attempts*

## Larger items (140lbs+) will ship on an LTL carrier

### Residential LTL delivery

- Material is secured to a pallet (in most cases)
- The shipping company will call you one hour prior to delivery

*If you require a specific date/time for delivery, please notify us prior to material shipping (additional fees apply)*

- **Lift Gate Service included** (shipment lowered from truck to ground)
- **Curbside Service included** (shipment delivered to the edge of the property in front of the residence; drivers do not manually move or carry shipments at the time of delivery)

*If you require assistance moving material from the curb, please notify us prior to material shipping (additional fees apply)*

### Commercial LTL delivery

- Material is secured to a pallet (in most cases)
- The shipping company will deliver Monday-Friday, 8:00am-5:00pm

*If you require a call notification or appointment for delivery, please notify us prior to material shipping (additional fees apply)*

- **Curbside Service included** (shipment delivered to the edge of the property in front of the business; drivers do not manually move or carry shipments at the time of delivery)

*If you require assistance moving material from the curb, please notify us prior to material shipping (additional fees apply)*

- **Tailgate Service available**

*If you require a tailgate, please notify us prior to material shipping (additional fees apply)*

**Before signing for your shipment, please check for any damage; damage must be noted on BOL when signing. Please take photos.**

**Perfect Surfaces must be notified of damage within 24 hours of receipt of material**
